For Immediate Release

November 16, 2005

Washington, DC – The Livingston Group, LLC (TLG) announced the recent affiliation of Steven L. Kreseski. As the long-serving Chief of Staff to the Honorable Robert L. Ehrlich, Jr., the current Governor of Maryland and former four term Congressman, TLG adds to its growing portfolio of Hill-savvy personnel. Kreseski will focus on the following TLG Practice Areas: Health Care and Pharmaceuticals; Energy and Environment; Science, Technology and Telecom.

“Steve is a strong addition to our team,” said Bob Livingston, TLG founding partner and Chief Executive Officer. “He brings over 25 years of senior level public policy experience from Capitol Hill, the Maryland Statehouse and the private sector. His deep involvement in a wide range of legislative and policy issues will be of great benefit to our clients.”

Kreseski has hands-on executive, legislative and judicial branch experience. He has proven management and supervisory abilities and has earned a solid, bi-partisan reputation. Prior to Ehrlich’s 1994 election, Kreseski led federal and state lobbying efforts as the Legislative Director for the Cosmetic, Toiletry and Fragrance Association. He also had managed budget, appropriations, and commerce issues as a senior legislative assistant to U.S. Senator Larry Pressler of South Dakota.

Kreseski began the public sector portion of his career in 1980 clerking for the Chief Judge of the Circuit Court of Baltimore City. In 1984, he also served on the staff of the Maryland General Assembly, charged with drafting various pieces of legislation. Kreseski graduated from the University of Baltimore, School of Law and was subsequently admitted to the Maryland State Bar, the U.S. District Court of Maryland and the U.S. Court of Appeals for the Fourth Circuit.

“It is exciting to join Bob Livingston and his impressive team of well-known and experienced government relations experts” Kreseski said. “He has taken the same collegial manner and hands-on approach to delivery of client services that I saw him utilize for constituents in Congress. I hope to contribute to The Livingston Group’s overall sense of camaraderie and deep substantive knowledge of issues and process.”
